About Us

"Ambition Academy", an institute of Training and Education – 'Endeavouring for Excellence', offers **Audio-Visual Trainings** on the present day most needed and essential **'English-Speaking and Communication Skills'** and **'Soft Skills' for Adult Students and Aspirants**. The Institute, dedicated to provide the very best of the Trainings for Learning and Education, not only assures but also ensures that the participants gain both knowledge and confidence, keeping a complete focus on the three most important characteristics i.e., Superiority, Reliability and Exceptionality.

Founded in 2019 (Initially in **NCR-Delhi** and now in **Silchar**), the academy has been all through a passion for helping the students and aspirants to offer and deliver the best Tutorial and Guidance i.e., doing an intense research to turn the hard work into an inspiration to make aspirants a **winning fit for the Real World**.

The institute is well-known for its endeavour for **In-house** Courses and Trainings on **"English-Speaking and Communication Skills"**. The courses are uniquely blended with Personality Development (**PD**), Group Discussion (**GD**), **PI/ HR Interview** Appearing Techniques, Business Communication Skills etc. with scope of enough practice for the Higher Secondary/ Graduation level students, Job Aspirants including the Junior Level Professionals, who feel the necessity of further learning, improvement and proficiency for their career development. The institute also offers Trainings on the other **Soft-Skills** like Time Management, Stress Management, Anger Management etc.

Mission

The mission of 'Ambition Academy' is to offer the best Training and Education with suitable courses through **'Smart Technology'** to equip students with the requisite Professional and Personal skills as well as Social sensitivity and sense of ethics. The academy strives to maintain right ambience for the students to learn more.

Vision

"Ambition Academy" **aims** to be an **'Institute of Choice'** and recognised for its excellence in all time valuable **'Training and Education'** for the learners.

Sincerely,

Debabrata Bhattacharjee
